Soviet Soldiers Fire On Berlin Anti-Reds

Mob Assaults Jeep-Load Of Russ Police

Berlin, Sept. 9.—(AP)—Russians and their police fired tonight into anti-Communists who stoned a jeep-load of Soviet soldiers and tore down a Red flag from Brandenburg gate.

At least one anti-Communist was wounded in the chest. Soviet-controlled German police shot into the demonstrators on the Soviet side of the historic granite gate which is the dividing line between Russian and British sectors in the center of Berlin.

Several other wounded anti-Communists were reported brought in from the Soviet sector.

Russ Fire Into Air

Russian military police in a jeep also drove through the gate into the British sector and fired their tommyguns into the air until British-controlled police and military persuaded the crowd to disperse.

The outbreak occurred at dusk just as 200,000 demonstrators were streaming home from a huge mass meeting before the Reichstag in the British sector at which every mention of communism was booted. The meeting was a protest against recent communist riots in the Soviet sector which resulted in communist seizure of control of the city hall.

Part of the homegoing throng began jeering a jeep-load of five Russians driving inside the British sector toward the Russian war memorial near the Reichstag to take up sentry duty.

One of the Russians stood up in the jeep with a tommygun and warned the crowd to stand back. Paving stones began to fly at the jeep but it finally reached the monument.

Germans Stone Jeep

Here another crowd of Germans surrounded them, and began heaving stones over the heads of a protective cordon of British police. One stone smashed a glass on the jeep.

The crowd then surged toward Brandenburg Gate where an anti-Communist began climbing up the huge memorial to tear down a communist flag flying there. One American reporter said a second anti-Communist climbing up the gate either fell or was shot down.

There was a scuffle. American correspondent eyewitnesses said the Russian-controlled police thereupon opened fire. At least ten shots were heard.

The flag was pulled down amid shouts of approval from the crowd.

Another jeep-load of Russian military police then drove through the gate into the British sector and fired tommyguns. Nobody was seen to fall. The crowd dispersed.

Say 'Fear' Tactics Are Used To Gain Funds For Wallace

Washington, Sept. 9.—(AP)—Two congressional witnesses testified today that union "fear" tactics are forcing New York fur workers to contribute money to Henry A. Wallace's presidential campaign.

The witnesses told a House Labor subcommittee, headed by Rep. Max Schwabe (R-N.Y.), that union members also are under pressure to support communist newspapers.

"The workers live only in fear," said Morris Goldner, president of the Independent Fur Manufacturers' association.

William Pike, labor relations director for the Associated Fur Manufacturers, Inc., testified that union officers openly solicit money from union members for the Daily Worker, communist party newspaper.

DOUGLAS ASSAILS GOP FOR NOT PASSING TRUMAN PROPOSAL

Macomb, Ill., Sept. 9.—(AP)—Paul H. Douglas, Democratic nominee for senator, said tonight that the GOP-controlled Congress showed "willful negligence" in failing to pass President Truman's program for federal aid to education.

He said in a speech prepared for delivery at Macomb that the program is needed to provide "equality of opportunity between the children of the poor and the children of the rich."

The program calls for a \$300,000,000 grant to be divided proportionately among the states.

ATTEND BETHALTO HOMECOMING

Mr. and Mrs. Cecil J. Tindall of Jacksonville spent the week end at their former home, Bethalto, Ill., tonight. They visited at the home of their parents, Mr. and Mrs. Cecil Tindall, and attended the annual homecoming in that city.

Russians Parade Air, Sea Might In Europe

Berlin, Sept. 9.—(AP)—Soviet planes prowled the skies of northern Europe today and Soviet ships cruised in the Baltic off Denmark in the greatest show of Russian strength since the end of the war.

There was little doubt in military minds here that the Soviet activity was a carefully planned military show designed to impress Europe with Soviet armed might in view of the East-West crisis in Berlin.

The moves also were apparently designed to take some of the edge off the Anglo-American airlift to Berlin and the impressive joint British-American air maneuvers over Britain in the last week.

Coupled with Anglo-American army maneuvers at Grafenwohl, the picture reminded many of the European armed camp of 1938 and 1939.

At Grafenwohl in the American zone of Germany, a defensive force is practicing warding off a superior "aggressor" force attacking from the east.

The usual Soviet practice is to cloak their armed forces with the high-flying Soviet fighters crisscrossed over Berlin leaving vapor trails in the sky. Some Germans, mindful of the trails left by thousands of American bombers during the war, took it as an omen.

Another estimated 60 Russian planes appeared over the Danish island of Bornholm. They flew low over Rønne, the island's main city. One plane circled a Danish naval vessel at a height of about 75 yards.

Danish naval authorities said several Soviet cruisers and destroyers appeared off the island just outside territorial waters.

A Danish foreign office spokesman told the Associated Press in Copenhagen that no decision had been made as to whether to lodge a formal protest with the Soviet government over the violation of Danish territory by the planes.

Naval missions in Berlin said as far as they knew this was the first show of Soviet naval strength on such a scale in the Baltic since the end of the war.

Green Predicts Dewey Landslide In Illinois

Chicago, Sept. 9.—(AP)—Gov. Dwight H. Green said tonight that "every indication points to a Dewey landslide in Illinois."

The Republican governor, who starts formal campaigning for a third term Tuesday, advised the national GOP's ticket campaign manager, Herbert Brownell Jr., that "victory for our state ticket would indeed be hollow if we failed to win the national election."

Green spoke at a Republican dinner given in honor of Brownell by the Cook county GOP central committee. Brownell conferred today with Illinois and Midwest party leaders.

The governor said the first job of all the state Republican candidates and committeemen is to elect Gov. Thomas E. Dewey of New York as president. A Dewey-Warren ticket triumph in the state is "the best guarantee for state ticket victory," he said.

Illinois Shortage Of Electricity Impedes Industry

Springfield, Ill., Sept. 9.—(AP)—Claude R. Wickard, federal rural electrification administrator, said today a shortage of electric power in Illinois is putting a brake on industrial expansion.

"The power shortage is so severe that we're not adding any big industrial users in this area," Wickard said. "Present needs are being supplied with little to spare."

The REA administrator, here for a meeting of the association of Illinois electric cooperatives, told reporters "drastic steps would have to be taken to conserve power if anything goes wrong with major generating facilities."

Wickard said yesterday's electric power emergency in Chicago "illustrates the precarious situation we're in nearly all over the country."

Strikebound Plant Will Attempt To Boost Production

East Moline, Ill., Sept. 9.—(AP)—The International Harvester company said today it plans to boost production and shipments at its plant here where workers are on strike.

"We are going to have a production plant and an orderly plant," works manager M. H. Slater said in a letter to striking employees.

Since the start of the strike almost eight weeks ago, the farm equipment manufacturing firm has lost in production 5,300 combines and 10,000 corn pickers and employees have lost \$1,764,000 in wages, Slater said.

He reported that the plant produced and shipped seven corn pickers yesterday — the first finished product shipped to customers since the strike began.

ILLINOIS MAN SWORN
IN AS JUDGE ADVOCATE
GENERAL OF AIR FORCE

Washington, Sept. 9.—(AP)—Maj. Gen. Reginald C. Harmon was sworn in today as the first judge advocate general of the U. S. air force.

The position of judge advocate general was created when the air force was set up last year as an independent service under the defense department. Harmon previously was judge advocate general of the air material command at Wright-Patterson Air Force base, Dayton, O. He is 48 and a native of Illinois.

Volcano Gas Imperils 15,000 In South Seas

Manila, Sept. 9.—(AP)—Deadly gases from a volcano late tonight imperiled the lives of 15,000 Filipinos marooned on the tiny island of Camiguin.

News of what could be one of the great disasters of modern times came in a frantic radio appeal for rescue ships. It was broadcast from a Philippine navy patrol craft a little before 11 p.m. (9 a.m. CST). There was no second message.

The island is about 450 miles by air southeast of Manila and a dozen miles north of the coast of Mindanao.

The brief appeal was signed by Arturo Alcaraz, Philippines government volcano expert, who has been on the scene since Mt. Hibokhibok began erupting Sept. 1.

Addressed "to all ships at sea," it said: "Acute emergency at Camiguin island. All available boats needed for mass evacuation. Gullsliban and Binone designated embarkation points. Binone top priority to ships."

"Rain of acidic ash, probably one of halogens, has occurred. Order being maintained."

Alcaraz had predicted the possibility of just such an eruption. During the first six days of the outburst by the long-dormant mountain, about 36,000 persons had been removed from the island. Five persons were killed by lava.

Then on Tuesday the flow of lava and showers of ashes declined. Further evacuations ceased. Some of the refugees actually started back to their dangerous homes.

On Wednesday, however, the activity increased and Alcaraz issued a new warning. He said a third vent had opened, south of those which had been pouring debris onto the island's north-shore towns.

The threat of gas recalled immediately to Philippines old times the disastrous Taal volcano eruption near Manila, which killed more than 1,300 persons with gas in 1911.

Stevenson Asks Green To Show Source Of Funds

Harrisburg, Ill., Sept. 9.—(AP)—Adlai E. Stevenson, Democratic nominee for governor, said tonight "if Governor Green will honestly tell the people of Illinois who's paying for his campaign, I will be happy to submit an itemized account showing the source of every penny contributed to me."

Stevenson said in a campaign speech prepared for delivery at Harrisburg that the people "want to know whether Republicans are accepting the money of gangsters, gamblers and hoodlums. It's time the governor took some notice of these ugly rumors of an invisible underworld government."

"I am very reliably informed," the Green machine plans to steal enough votes to win in various downstate counties, including Pulaski, Alexander and Massac. "I cannot believe these reports. I am sure that Governor Green has not forgotten the Republican pledge of honest elections in this state."

Pope Meets With Delegation From United States

Castel Gondolfo, Italy, Sept. 9.—(AP)—Pope Pius XII today called for an end to regional propaganda which blindly serves the "egoisms of parties or nations" without regard to truth.

The Pontiff told an international gathering of legislators that "truth, justice and peace" should be their great concerns. "The audience for delegates to the 37th conference of the International Parliamentary Union was held at the Pope's summer residence."

The Pope later received in private audience Sen. Alben Barkley of Kentucky, Democratic vice presidential candidate. Barkley said the Pontiff gave him a personal message of good will and friendship for President Truman.

In private conversation with a group from the 16-man United States delegation, the Pope expressed "sincere appreciation for what the United States has done for humanity and the world," Sen. Scott W. Lucas (D-Ill.) reported.

Two Springfield Residents Killed By Motor Vehicles

Springfield, Ill., Sept. 9.—(AP)—Two pedestrians, one an eight-year old child, the other an 80-year old man, were killed today by motor vehicles.

The victims were Jacqueline Arlene Brooks, daughter of Mr. and Mrs. Lester Brooks; and William Jackson Payvan.

Mrs. Catherine Rutherford, deputy coroner of Sangamon county, said Jacqueline was killed when she ran into the side of a truck while crossing the street and was thrown under the rear wheels.

Payvan, Mrs. Rutherford said, was fatally injured when struck by a car driven by Robert Howard of Springfield.

IT ISN'T BEING DONE

Milwaukee, Sept. 9.—(AP)—Jerome Mackey, 30, found out today that no matter how polite you are, you can't ask a lady for a kiss.

Mackey, a gas company repairman, appeared in district court where Mrs. Robert Adamczewski, 22, testified he asked her to kiss him after being called to her home this morning to fix a leaky pipe. Her husband, she said, chased him out of the house.

"I asked her for a kiss," Mackey admitted. I said "would you please give me a kiss."

"And I said it in a polite tone, too," he added.

Judge Thaddeus Pruss wasn't impressed. He fined Mackey \$15.

YAK FIGHTERS

Berlin, Sept. 9.—(AP)—A flight of about 12 Russian Yak fighter planes soared over Berlin today, leaving vapor trails across the sky.

American officials said the flight apparently was part of air maneuvers the Russians previously had announced "they would be holding over Berlin and their surrounding occupation zone."

Truman Asserts U. S. Won't Leave Berlin

Truman Plans To Head West With Campaign

President Truman plans to head west for an intensive two-week stump campaign.

His itinerary, announced yesterday (Thursday), is similar to one to be followed by Gov. Thomas E. Dewey, the Republican nominee.

Mr. Truman's western swing will carry him all the way to the west coast. Major addresses will be made in at least four western states, the opening speech being scheduled at Dexter, Iowa, Sept. 18 at a farm rally.

Following the Dexter kick-off address, Mr. Truman is scheduled to make major addresses at Denver Sept. 20, Salt Lake City Sept. 21, San Francisco Sept. 22 and Los Angeles Sept. 23.

The speaking schedule for the return trip will be worked out later. Dewey will begin his campaign at Des Moines with a major address Sept. 20. From there he will continue west, and his aides have indicated he will keep on going until he gets to the coast.

The Republican nominee yesterday received his first big endorsement from a top labor organization, and the move led his campaign manager, Herbert Brownell, Jr., to say that the Dewey-Warren ticket will win the labor vote.

The labor vote came from the executive board of the AFL Building Service Employees International Union, representing a claimed 175,000 members.

William Green, AFL president, a committee representing several AFL International Unions, and the CIO executive board and the CIO political action committee have endorsed Mr. Truman for president.

But Brownell said the Republicans would get the "rank and file" vote of labor. He said CIO leaders "may get religion" before the campaign is over.

He also predicted a Republican sweep in the midwest for both the top ticket and for GOP Congressmen. Gov. Earl Warren is scheduled to speak in Chicago Oct. 6, and Dewey may appear there later.

De Gaulle Calls For New National French Elections

Paris, Sept. 9.—(AP)—An official spokesman for Gen. Charles De Gaulle called tonight for a new national French elections.

This was the first time De Gaulle had intervened during a cabinet crisis.

Jacques Soustelle, Secretary-General of De Gaulle's French People's rally (RPF), made a statement to the press at a moment when:

1. The veteran radical Socialist Henri Queuille had accepted formally the nomination for premier of France.

2. Labor unrest flared throughout France and her colonies.

On the outskirts of Paris, workers of the Renault automobile factory quit their jobs and began a march toward the center of the city. A large police contingent met them along the route. They attacked the police with paving stones and overturned a police car. Before workers were dispersed, a dozen workers and 20 policemen were injured.

Several workers got cracked heads in an earlier battle with police near the palace of President Vincent Auriol. One was reported hospitalized.

Tennessee Girl Leading In 'Miss America' Contest

Atlantic City, N. J., Sept. 9.—(AP)—All eyes were on 19-year old Dorothy Jane Free of Chattanooga, Tenn., tonight as the Miss America pageant swung into its second round of preliminaries.

Blond Miss Free carried off the talent division cup last night with a medley of two songs. That gave her a decided advantage over the other 54 contestants with the exception of Vera Ralston of Wichita, Kans.

Miss Ralston's figure left nothing to be desired in the selection of a winner of the bathing suit cup last night. Without regard for her other measurements, these were sufficient to get her the preliminary victory: bust, 37; waist, 24, and hips, 35.

The pressure is on Miss Free more than other girl tonight.

She is entered in the bathing suit division. Her measurements are a 34 bust, 24 waist and 34 hips.

Their first scheduled stop was Wither at Albany or nearby Usher, N. Y.

Greeks Repell
Yugoslav Troops

Athens, Sept. 9.—(AP)—War Minister George Stratos said tonight a group of Yugoslav troops had invaded Greece and had been thrown out. He appealed for international help to prevent a general war in the Balkans.

Stratos said the invasion came yesterday in the Kaimatchan area and that Greek forces killed nine Yugoslav soldiers and repelled the attack.

(In Belgrade Yugoslav officials were silent on the reports.)

The War Minister charged Albania, Yugoslavia and Bulgaria with repeated border provocations, and cautioned that the Allies and the United Nations should act before an incident touches off general fighting.

Tuscola, Ill., Sept. 9.—(AP)—Lowell Sebens, 27, of nearby Ivesdale, was seriously injured today in a 30-foot fall from the roof of the First Presbyterian church.

Attendees at Jarman Memorial hospital said he may have suffered a broken back. Sebens was working on the church roof when he fell.

HOW YOUNG IS OLD?

(Philadelphia Bulletin)

Some public-spirited scientist who hasn't got anything else to do ought to buckle down and settle one urgent problem. The nub of the matter can be expressed in a simple question: "How old is old?" or, if you prefer, "How young is young?"

A woman applying for a job will shuffle away feeling like an ancient crone with a shawl over her head after they give her the special look reserved for females who admit to 40. Men of 50 standing in front of an employment desk, are practically on their last legs. If they happen to be sitting behind the same desk, they are fellows in the very bloom and prime of a vigorous existence.

A presidential candidate of 41 is talked about as if he were a high-spirited boy. Lucky for him that he isn't looking for a situation as a bookkeeper or a salesman.

People live longer than they used to, so maybe it's natural to keep them in short pants until they're past 30. But why sentence them to carpet slippers 10 years later?

Compared to this burning question, the cure of the common cold or a remedy for high prices pales into insignificance. Let the fact-finders, the average-adders, and if necessary, the soothsayers tackle the urgent job of determining how old is old, and if so, what difference does it make in comparative efficiency?

Couple Exchange Vows In Rites At Christian Church

Central Christian church was the scene of a lovely wedding ceremony Sunday afternoon, in which Miss Shirley Whiteis, daughter of Mr. and Mrs. Clarence Whiteis, 928 W. Douglas avenue, became the bride of Donald Marine, son of Mr. and Mrs. W. E. Marine, 710 South Clay avenue.

The double-ring service was performed at 2:30 o'clock by the Rev. Roy S. Hulian, pastor, before an altar adorned with flowers and ferns against a background of glowing tapers.

Mr. and Mrs. Donald Marine

A prelude of nuptial music was presented by Miss Mahala McGehee, who accompanied Mrs. Lois Hardin as she sang "Because," "I Love You Truly" and "The Lord's Prayer."

Miss Emogene Whiteis, sister of the bride, was the maid of honor. The bridesmaids were Miss Lois Bryant, cousin of the bride, and Miss Wanda Marine, the bridegroom's sister.

The groom's brother, George Marine, was the best man. The groomsmen were Bill McGlasson and Jim Spink. Seating the guests were Bob Kraush and Gerald Flynn.

Given By Father

The bride, who was given in marriage by her father, wore a gown of white, slipper satin, fashioned with a shadow-sheer net yoke, edged with a Bertha of rose point lace. The bodice was tightly fitted and the sleeves tapered to points over the hands. The bustle-back extended into a chapel train.

The bride's veil was of French illusion, edged with rose point lace, and held in place with a Dutch cap of seed pearls. White roses, centered with an orchid, formed the bridal bouquet. As her only jewelry, she wore a double strand of pearls belonging to her mother.

The attendants' gowns were of silk faille, identically styled in a design similar to the bridal gown. The maid of honor wore an aqua gown, with a headband of American Beauty roses. The gowns worn by the bridesmaids were deep rose. The headbands were of yellow tulle. All three attendants carried colonial bouquets, centered with roses matching their headbands.

Mrs. Whiteis, the bride's mother, wore an afternoon dress of royal

blue crepe, with black accessories. A silk crepe print dress with black accessories was worn by the bridegroom's mother. Both had corsages of pink and white carnations.

A buffet supper was served at a reception held at the Dunlap hotel following the ceremony. The serving table was decorated in white and was centered with a three-tiered wedding cake. Assisting with the serving were Mrs. Albert Keller, Mrs. George Lee and Mrs. Roy Bryant, aunts of the bride.

The couple then left for a wedding trip through the south. For traveling the bride chose a Kelly green suit, with which she wore brown accessories and the corsage from her bridal bouquet.

Out-of-town guests at the wedding included Mr. and Mrs. Martin Loftus, Mr. and Mrs. Russell Angle, Mr. and Mrs. George Lee, Mr. and Mrs. Roy Bryant and family, Mrs. Albert Keller and son, and Donald Gibson, all of Chicago; Mrs. Ray Blakesley and Mrs. Gerald Fleming and son of Mason City, Ia.

TROPICAL FISH GO FIRST CLASS

Hong Kong—(P)—Forty thousand fancy tropical fish en route from Singapore to San Francisco aboard the cargo ship "Furman Victory" have left Hong Kong for the United States. They live in a specially constructed temperature controlled water tank. The cabin itself is fitted not only with heating and cooling apparatus but with shelves, observation tanks, apparatus for keeping the water aerated and filtered and special foods—including live worms. Responsible for the luxury fish tank is an American, H. S. Black of Oakland, who has ordered the fish for his firm.

Before World War I, there were more than 100 bootblacks in London; today, the city has about 45.

Hometown Boy Makes Good

Leola, Pa. — (AP) — Businessman Newton E. Martin hasn't forgotten the backing he got from his hometown 40 years ago when he opened a plumbing shop, so he's turning the dividends of his success back to community improvement.

Martin, 67-year-old structural steel contractor and water works owner, made his success in a tri-town area—Leola, Leacock, and Bareville, tiny communities in Lancaster County.

In return he has given the residents of those towns an \$8,500 ambulance and a \$20,000 trust fund for perpetuating the ambulance service.

Now he's hard at work to get the towns an \$80,000 fire hall and community center as a war memorial. His contribution will be furnishing the material and labor for the main floor of the building.

Martin, who taught himself the structural steel business through a correspondence course, dismisses his civic-mindedness with a shrug. "I owe it to them. The people around here have supported me in every venture I have undertaken."

A touch and you GO—that's DYNAFLOW!

YES, it boils down to just about that. You start your engine, set a lever—and from then on your treadle foot takes over.

You press the accelerator—and move softly and smoothly away.

You speed up, slow down, halt completely—and your right foot alone, operating gas treadle and brake, does it all.

How come? Simply because Dynaflo Drive is the one passenger car drive in America that

gets completely away from gears which function in fixed stages.

Changes in the way oil flows, instead of changes in gears, adjust your engine power to your driving requirements.

Whether you are starting out, climbing a hill, surging past others or cruising easily, there's nothing for you to do except feed gas.

For very fast starts, extreme pulls, reserve braking power, you flick the selector lever—and your engine seems suddenly to double in size.

For parking, there is a very special setting, exclusive to Dynaflo Drive, that rigidly locks rear wheels.

Even rough and chattery roads are made smoother by power that flows along through a cushion of oil—your whole car is "sweeter" in its feel, far silkier in its actions.

Quite rightfully is Dynaflo Drive called the most important development since the self-starter.

It's a basically different way of transmitting power—and one you should know about firsthand.

See what your Buick dealer can do about arranging that for you. The merest sample of Dynaflo magic will make you want to place an order pronto, whether or not you have a car to trade!

Pankhursts Home From Vacation In Rocky Mountains

Dr. and Mrs. W. Harris Pankhurst returned to Jacksonville Tuesday evening after spending three weeks in the mountains of Colorado and some time in Wichita, Kansas, and Argenta, Illinois.

From their cabin on Boulder Creek in Eldora, they climbed Mt. Spencer and the trail to Arapahoe Glacier, visited Idaho Springs and the Lost Gold Mine, drove over the precipitous highway overlooking Russell Gulch, attended the old historic Teller Opera House in Central City where the Broadway stage play, "The Play is the Thing" was being presented by a New York Company, and at the Lazy V Ranch, Nederland, witnessed a colorful display and performance of one hundred Arabian thoroughbred horses whose pedigree goes back four thousand years in North Africa.

The region where the Pankhursts summered was recommended to them by several Jacksonville friends who have made it their annual vacation spot and some of whom still have private cabins in the vicinity of Eldora.

During the first week in September, Dr. Pankhurst made a special trip to Ottawa, Illinois, to perform the wedding of Robert Fairbank of Madison, New Jersey, and Jane Gay of Ottawa, who are students at Illinois College and MacMurray, respectively. The ceremony before three hundred guests was held in the First Congregational Church.

As Past District Governor of Rotary, Reverend Pankhurst made up his vacation attendance at the Rotary Clubs of Boulder, Estes Park, Denver, Lamar, Colorado, Wellington, Kansas, and Ottawa, Illinois.

Services at the Pilgrim Memorial Congregational Church, will be resumed this coming Sunday at 10:45 a.m. Daylight Saving Time. The pastor will preach an appropriate sermon on "The Lifting Power of The Abundant Life." All departments of the Church School will reopen. Mrs. Doris Thompson will be the soloist.

On Monday, at 12:15, the Prudential Committee of the church will meet in the County Fair Room of the Dunlap hotel.

THE STORY: Dying in the Indian desert, British secret agent Hilary Shenstone feels a desperate need to get back to England and to Nana Farthing, his family home. He doesn't know the house has been let and that dreamy, 17-year-old Sabrina, whom he has never met, has adopted his old room. At his club he hears his death discussed, tries to join in the talk but can't make anyone aware of his presence. At his mother's town house, it is the same. Only at Nana Farthing does Mrs. Pilton, the housekeeper, seem to know that Hilary has come home. Hilary first discovers Sabrina asleep.

XVIII

SABRINA woke to a darkened room, but the edges of the curtains were gilded with sunlight. Her bedside clock said 10 minutes to 9. She slid out onto the floor without slippers or dressing-gown and went to pull back the curtains. The morning lighted delicious in the garden looked.

For a few minutes, kneeling on the window seat with her elbows on the sill, she wondered why it felt like such a special day.

Then she remembered the dream.

But the more she tried to capture the dream again, the more elusive it became. Something about his coming back—yes, that was it. She had dreamed he was here in the house. Perhaps there would be a letter in the morning post, for Father, of course, to say he was coming down to fetch something he had left behind. Or perhaps a car would just drive up and a strange man would get out, and that would be—oh, what was his name? Or perhaps—

The old magic reassured itself in the same absorbing game. He would come back. She would see him—speak to him, at last.

Cold water on her face, and the commonplace details of dressing dimmed the dream still more. But the feeling of expectancy persisted.

Carrollton Civic League Meets With City Council

Carrollton—Representatives of the Civic League met with members of the City Council in their regular meeting Tuesday evening to discuss the possibility of employing another night patrolman. No action was taken at the meeting but further discussions will be held.

The annual tax levy was passed. Many of the streets in the city have been prepared for oiling which is expected to begin next week. Because of the breakdown of the scarifier, a few of the streets still have not yet been scarified but will be before they are oiled. Chalking the parking places on the square will also be done in the near future as a machine has been purchased for that purpose.

ed. Something had brought him suddenly awake. Something was different. Something special.

FATHER and Aunt Effie had nearly finished breakfast when she entered the dining room.

"Darling!" cried Aunt Effie in astonishment, dropping the "Express." "You shouldn't have got out of bed without letting me know! But how well you look this morning!"

"I had a lovely sleep," said Sabrina, with a secret smile for the dream. "Nobody could stay in bed on a morning like this!" She kissed them both lightly, and went to inspect the sideboard hot-plates.

"What can I have to eat?" "I'll ask them to boil you a little egg," said Aunt Effie, and rang the bell.

"Oh, Auntie, can't I have some bacon or something with it? I'm hungry!"

"Do you hear that, Alan, she's hungry!"

Sabrina had bacon and a boiled egg and two pieces of toast, well-buttered. She decided against a second cup of lukewarm tea when Aunt Effie left to do the ordering and Father escaped to his study. She drifted out to the garden. The snapdragons were blooming at last. Pale yellow, peach and pink and dark crimson, they stood in sturdy ranks along the border. She bent and pinched one to make it gape, detached a full-blown bloom from a pillar rose to pull through her belt buckle, and glanced up at the windows of the L-shaped room as she always did from that part of the garden. They were closed, of course.

All the bewildered mistrust of the room which had come upon her in the chill gray twilight of her last visit had vanished over night, and she was able now to lay it to the weather, or to her illness, whatever it was, coming

on. The rain and her own feverish imagination had tricked her. She felt again, and welcomed, the old familiar fascination. She must go up there, at once. The room was lonely, and must be aired out on a day like this.

IN the long, sunny room at the top of the house he heard her feet on the stairs. Then the door opened and she came in, wearing a blue dress, with a rose in her belt—taller than he had expected, and too thin. He stood up politely, beside the window seat from where he had been watching her in the garden.

He was not altogether unprepared to see her here, for he had found his door unlocked the night before. A hasty investigation had shown him that nothing had been moved. His desk was the same. His clothes were still there. At least no one was living in the room. Neither was there a two years' accumulation of dust. Someone came in and out, then, but left his things alone.

Sabrina paused just inside the door, and stood for a moment, the knob still in her hand, glancing about her with questioning eyes.

"Please come in," said Hilary from the window. "You won't mind me, will you?"

Sunlight streamed through the casements toward her, making diamond-shaped nuggets of warm gold on the floor. The blended reds and blues and greens and browns of books, carpets, and old polished wood were lovelier than ever before to her eager gaze. How silly she had been to feel frightened here.

"Hullo again," whispered Sabrina, shamefaced.

"Hullo," said Hilary, surprised. Obviously quite unaware of him, full of housewifely purpose, she went to set the casement windows wide to the morning air, kneeling on the window seat to the left of him as she did so.

"There," she said with satisfaction, under her breath. "That's better." And she sat back on her heels against the cushions, her elbows on the sill, looking down into the garden and pondering something deep within her mind. (To Be Continued)

Inexperienced Crimsons Travel To Pittsfield Tonight

Rex Barney, Brooklyn's Right-Hander, Pitches No-Hit, No-Run Game

New York, Sept. 9 — (P) — Rex Barney, strong-armed 23-year-old case in no-hit performances. The right hander of the Brooklyn Dodgers, tonight pitched the first no-hit game of the 1948 National League season, with a 2-0 victory over the New York Giants.

Barney struck out four. Only four Giants reached base against him two via walks and two errors. Six balls were hit to the outfield.

Barney's mound masterpiece is the first by a Dodger hurler since Ed Head blanked the Boston Braves without a hit April 23, 1946.

It also is the second in the majors this season. Bob Lemon of Cleveland hurled a hitless and scoreless game against the Detroit Tigers last June 30.

The last time the Giants were held hitless was 33 years ago when Jimmy Lavender of the Chicago Cubs shut them out 2-0 in the first game of a double header on Aug. 31, 1915.

The last National League no-hitter was turned in by Ewell Blackwell. The remarkable feature of Barney's performance was that he did not need any extraordinary assistance.

Browns Win Twin Bill First Time In Season

Chicago, Sept. 9 — (P) — The St. Louis Browns swept their first double-header of the season today, defeating the Chicago White Sox 2 to 0 and 4 to 2.

The Browns were trailing 2 to 1 going into the third inning and had gotten only three hits off Bill Wright before scoring three runs for the victory.

Whitely Platt led off with a triple and scored the tying run on Don Lund's double. Les Moss singled to score Lund. Then Moss got around on Hank Art's infield out and Eddie Pellagrini's single.

In the opener Chicago scored twice in the second for a 2-0 lead. With the bases full in the third after three Brownie singles, Al Zarilla's fly scored Moss with the first St. Louis run. Dick Kokos opened the fourth with his No. 4 homer to knot the score.

Zarilla's single was good for two runs in the fifth and Pellagrini's triple scored Moss, who singled, with the game's last run in the sixth.

Line score: St. Louis 001 000 003-4 Chicago 000 100 010-2

Boxer Smother Yankees
Boston, Sept. 9 — (P) — Scoring eight runs in the third inning, the Boston Red Sox smothered the New York Yankees, 9-4 today to stretch their winning streak to nine games.

The victory also boosted the Red Sox's first place margin over the runner-up Yanks to three-and-one-half games.

Line score: New York 111 000 100-4 Boston 008 001 009-9

Indians Beat Tigers
Cleveland, Sept. 9 — (P) — Eddie Robinson singled in the 13th inning tonight to drive in a Cleveland Indian's run that beat the Detroit Tigers 3 to 2. For the second night in a row, Sam Zoladak earned an extra-inning victory by fine relief hurling for the Tribe. A crowd of 13,373 celebrated "Ken Keltner night," and it was Ken who walked and scored the winning run.

Line score: Detroit 001 000 000-2 Cleveland 000 000 010-3

HERE WE COME, PITTSFIELD

Here we come, Pittsfield—It's the six top-ranking backfield prospects of Coach Bob Kraushaar's 1948 Jacksonville high school grid team. The Crimsons open their campaign at the Pike county seat tonight at 8 p.m. (CST) in a game in which the invaders will be rated as underdogs.

Pictured, left to right, are: Gene Todd, halfback; John Whitacre, halfback; Tom Mills, quarterback; Bob Orris, fullback; Stan Spotts, halfback; and Johnny Walker, fullback.

Greenfield Eleven Set For 1st Test On 10-Game Card

Greenfield — Greenfield stands ready today for its first football contest of the 1948 season. Under the leadership of a new mentor, Don Luketich, former Arkansas State

quarterback for "Frosty" England, the Greenfield gridders tangle with a tough Girard eleven here tonight at 8 p.m.

The Greenfield team this year will lack more than medium speed in the backfield, but will field a mobile line of fair weight.

Coach Luketich, like other grid chiefs in this area, feels that he has had insufficient time to groom his outfit for the opening encounter.

But he predicts that, as the season progresses, the 1948 aggregation will take form as a leading threat in the tough Illinois Valley conference.

Although the Greene county eleven lost many regulars by graduation, enough return to form a nucleus for the latest version. Seven lettermen, five of them regulars in 1947, are on the probable starting team listed by the coach Thursday afternoon.

Probable starters Friday include: Bob Nifong and Bob Baldes, ends; Bob Waltrip and Val Klunk, tackles; T. Cochran and Fred Becker, guards; Bob Aniser, center; Don Gustine, quarterback; Jack Owens and Ralph Longmeyer, halfbacks; and Dave Tucker, fullback.

Nifong, Klunk, Aniser, Owens and Tucker were starters last year and Gustine and Baldes also lettered.

Not much is known about the opposing organization for the first game, except that Girard will be "tough."

Nine contests follow the opener.

200 Downstate Illinois Football Teams Launch Seasons This Weekend

Springfield, Ill., Sept. 9 — (P) — Nearly 200 downstate teams kick off the 1948 high school football season Friday.

Many of the games lift the wraps from schools with strong advance buildups, notably Murphysboro, East Rockford, Champaign and Rock Island.

Driving for their second straight spotless season, Murphysboro's Red Devils trot out their veteran stud-lineup against the invading Harrisburg Bulldogs. A win would give Murphysboro its 17th straight triumph over three seasons.

East Rockford, tabbed as a Big Eight title threat and sparked by a standout backfield, plays at home against East Moline of the northwest circuit. The East Moline crew is rated just behind Rock Island and Moline in northwest championship speculation.

Champaign vs. Benton
Bolstered by its best looking line in recent years, Champaign's big 12

titleholders are host to Benton's Rangers from the south six loop in what shapes up as a topnotch intersectional opener.

Another promising intersectional duel sends Naperville's Little Seven favorites from the Chicago area to Rock Island to test the northwestern brand of football, usually among the best in the state.

Joliet and LaSalle-Peru, billed with East Rockford in Big Eight flag favorite talk, get away against non-conference opposition. Joliet takes a long trip to Centuria, where the home-loving orphans are set to give a warm reception.

The Cavaliers of LaSalle-Peru figure again to work the jinx they hold over Ottawa's Pirates. The game will mark the 43rd gridiron meeting between the schools. Ottawa hasn't won a match since 1934.

Few Conference Tilts
Only a few games involve conference championship races. Galesburg travels to Moline for a northwest circuit starter, and Robinson gets its eastern Illinois league bid going in a contest at Effingham.

Robinson, like Murphysboro, was among the 12 downstate teams that finished unbeaten and untied last year. Another was Belvidere, whose opening assignment is at Sterling.

Some other attractive matchups show Mt. Vernon at Flora, Carmi at Salem, Kankakee at Streator and Mattoon at Belleville, all non-league bouts.

Mt. Vernon is regarded as a leading contender in the south six, along with Centuria and West Frankfort.

Flora and Salem rule as co-favorites in the north Egypt loop, and Streator and Mattoon are getting attention in the Big 12. Belleville's big job Friday is trying to haul down Mattoon's star ball carrier, Bill Tate.

Joe Kirkwood Pleases In Exhibition Here

Joe Kirkwood's spontaneous humor, fancy shots and superb golf kept a large gallery thoroughly entertained Thursday afternoon, when the Philadelphia professional appeared at Jacksonville Country club.

Plays Nine Holes
Arriving in the city later than expected, Kirkwood went directly from the highway to the fairways, yet he came up with a reasonably good 36 for his nine-hole effort. Jim Buckley, former city amateur champion, out-did Kirkwood for low honors, carding a 35. Willie Barber recorded a 36 and the other member of the foursome, Bob Munk, club pro, had a 37.

But it was not during the friendly match that Kirkwood scored most heavily with the several hundred fans who had gathered. His trick shot performance and lecture was received with genuine enthusiasm.

For over an hour Kirkwood managed to keep his audience on tiptoes watching the perfection with which he executed even his goofiest tries. He uncorked everything in the book—and much, much more.

Local Helpers
Kirkwood made liberal use of the onlookers during his tricks. He socked balls off a spectator's toe. He even knocked one from under the foot of his local helper. He borrowed a watch, then proceeded to literally tear it up the earth around it with false tries. Eventually he played several long drives off the face of the timepiece.

The big comedian displayed every conceivable type of club during his exhibition. He even used some that would put Charlie Chaplin or W. C. Fields to shame. Highlight of his demonstrations was when he socked a healthy drive with a break-away shaft.

Imitations came in for some kicking around, too. All pleased completely.

PACKER END FINED
Green Bay, Wis., Sept. 9 — (P) — Don Wells, third-year Green Bay Packer end, was fined \$10 plus \$6.82 costs by Police Judge John Sullivan today on a drunk and disorderly charge.

Only One '47 Regular Returning At J.H.S.; Saukees Powerful

answered tonight is whether the green Crimsons can stand up against the letterman-loaded Pittsfield offensive. Hopes are high that J.H.S. can make a good showing.

Both lines will be of fair weight and medium speed. Neither coach claims more than average runners.

Spots Back
Stan Spotts, Kraushaar's one 1947 starter who will appear tonight, is expected to take the larger portion of the Jacksonville offensive assignments. Other backs have played little first-team ball. One likely starter, Johnny Walker at fullback, is but a freshman.

Pittsfield, too, has only one back who could be considered a 1947 regular. But all of the other three played enough ball to earn major letters. Bob Kattleman, a definite starter at halfback, has lettered for four consecutive years for Coach Smith. He's also an established artist at kicking extra points, having made 17 conversions in 19 attempts last year.

In the line Pittsfield has three regulars and four other letterman on the starting team. Some additional veterans are available as replacements.

Line Inexperienced
Bob Fanning, who saw considerable service at center in 1947, is the only experienced lineman for Jacksonville. However, the forward wall is shaping up fairly well. Two big tackles, Charles Runkle and Francis Bunch, should make it tough on both sides of the line. Ends Gotschall and Lawson have also looked good, both defensively and on offense. The guards are not as big, but are blessed with a fair amount of speed, a factor which should "provide some help."

Both Jacksonville and Pittsfield have had casualties, but the injury list is small compared with many seasons. Johnson, a Saukee letterman, has a bad case of poison oak and probably will not go against the Crimsons. Don Smith, Jacksonville junior backfield candidate who had been picked for a starting berth, has developed a muscle injury which will keep him out of action for at least a month, possibly longer.

A large crowd is expected to tour to Pittsfield for the combat, a tilt which never fails to bring out throngs of onlookers anxious to view their respective outfits for the first time.

COACHES' COMMENTS
Smith stated Thursday that prospects at his school are "fairly good." Kraushaar has said that this year's squad, although inexperienced, should be stronger than the 1947 crew which won two and tied one in nine tries.

Both coaches believe that their clubs have had insufficient time to prepare for the first encounter today on a drunk and disorderly charge.

With "it's our turn" as their slogan, the 1948 version of the Jacksonville high school grid team takes to the field at Pittsfield tonight at 8 p.m. (C.S.T.) to do battle with the highly-regarded Saukee Indians of Coach Glen Smith.

With only one regular from last season's aggregation and lacking greatly in the experience department, Coach Bob Kraushaar's crew is rated a distinct underdog in the traditional season opener.

Spirit is high in the J.H.S. camp, however, and as the youthful Jacksonville gridders went through their final light drill Thursday they pointed to the fact that not in the history of Jacksonville high school football has there been a team that has been able to take two straight grid frags from representatives of Ole' Newton Bateman.

Jacksonville stands seven-up in one of this section's oldest gridiron rivalries. In the past 12 seasons, the Saukees have won only twice from the Crimsons—in 1945 and in 1947. Last year the Pike county club defeated J.H.S. 19-0 here.

Coach Smith has listed a starting lineup loaded with members of the victorious '47 eleven. The Saukees will be out to take another Illinois Valley conference crown this year and can think of no better way to start than to knock off Jacksonville, although the tilt has no bearing in the loop standings.

Smith stated Thursday that prospects at his school are "fairly good." Kraushaar has said that this year's squad, although inexperienced, should be stronger than the 1947 crew which won two and tied one in nine tries.

Both coaches believe that their clubs have had insufficient time to prepare for the first encounter today on a drunk and disorderly charge.

Miss Edith Dawdy, X-Ray Technician, Dies Thursday

One of Jacksonville's most highly respected residents, Miss Edith B. Dawdy, died Thursday at 6:15 a. m. at her home at 702 West Douglas avenue. Death followed an illness of several months.

MISS EDITH B. DAWDY

Miss Dawdy had distinguished herself as an X-ray technician, having worked in that capacity for many years. She had been associated with the late Dr. H. A. Chapin, the Hanna Clinic in Peoria, and for the past 13 years with Dr. C. L. Morris of this city.

A charter member of the Illinois State Society of X-ray Technicians, Miss Dawdy was appointed vice president of the society at the time of its organization in 1936. She had filled various offices and committee appointments within the society and had served as editor of its monthly bulletin, The Illinois Tech.

On Oct. 7, 1947, the society bestowed on Miss Dawdy the first life membership in recognition of her continued services in the field of X-ray technology.

Miss Dawdy was also active in the American Society of X-ray Technicians, and had been a member of its executive committee. She was also a trustee in the American Registry of X-ray technicians.

Prominent in religious activities, she was a member of the First Baptist church and had served on the Board of Christian Education since its formation. For many years she was a teacher of the Business Girls Bible class.

The greater part of her life had been spent in this community. She was the daughter of James T. and Julia Jones Dawdy and was born on July 5, 1893.

Surviving are two brothers and two sisters, the Rev. Ernest Dawdy of Patterson, Ray Dawdy of Salem, Ia., Mrs. W. A. Rigg of Hillview and Mrs. Edward Anderson of Peoria. Three sisters and two brothers preceded her in death.

The body was taken to the Reynolds Mortuary and later was returned to the residence on Douglas avenue.

Funeral services will be held at 3 p. m. Sunday at the First Baptist church. A former pastor of the church, the Rev. Andrew Caraker will officiate. He will be assisted by the Rev. Clair E. Malcomson.

Burial will be in the William Edwards cemetery, northwest of Roodhouse.

G.M. & O. Railroad Board Declares Dividend Of \$5

Directors of the Gulf, Mobile and Ohio railroad meeting in St. Louis Thursday declared a \$5.00 dividend on preferred stock for the year 1948; provided for payment of \$1,208,000 in interest on two series of general mortgage income bonds; and authorized additional rental of \$190,260 to the New Orleans Great Northern railway.

President I. B. Tigrett told the GCMO board that negotiations were under way with the Chicago Burlington and Quincy relative to a trackage agreement which would permit the Burlington a more direct freight route between St. Louis and Kansas City. A joint Santa Fe and Burlington application to buy the Kansas City-St. Louis line from GCMO was denied recently by the Interstate Commerce Commission.

The GCMO chief executive reported net income for the month of August of \$650,000 with a total for the first eight months of \$3,900,000.

The preferred dividend payments will be made in four regular quarterly installments of \$1.25 each per share and will start on September 30.

Morgan Medical Members Guests Of Sanatorium

Doctors from Morgan, Scott, Macoupin and Brown counties were dinner guests Thursday evening of Dr. and Mrs. W. H. Reineking and the Morgan County Tuberculosis Sanatorium. The affair, held at Oaklawn, opened the new season of the Morgan County Medical Association.

The medical director of the tuberculosis sanatorium in Lake county, Dr. Petter of Waukegan, was the speaker.

Among his remarks, the visiting doctor observed that the problem of detection of tuberculosis was a problem in the hands of the family doctor. Through the close cooperation of the individual the death rate has been lowered, the cure rate has been increased and the incidence materially decreased.

The facilities available at institutions throughout the state, including such services as free X-ray examinations for indigent patients, and the supervision and direction of surveys by such organizations as the Morgan County Health department, has materially reduced the scourge of tuberculosis, he declared.

The Morgan County Medical Association will meet on the second Thursday of each month during the fall, winter and spring.

Woman's Council Holds First Fall Meeting Here

The first fall meeting of the Woman's Council of Central Christian church was held at the church Wednesday evening, with a large attendance of members present. Mrs. Donald Hamey, new president of the council, welcomed members and guests and conducted a brief business session.

Mrs. Francis Plouffe presented the worship service and accompanied Mrs. Donald Wood who sang "The Builder" by Cadman.

The Rev. C. W. Flewelling, pastor of Central Christian church in Decatur, gave the address of the evening. Rev. Flewelling is state chairman of The Crusade for a Christian World. His address encompassed the need for stressing this three-year program and carrying it through to a successful end.

Individual group meetings were held following the benediction at which the time and place for future meetings was decided upon. Refreshments were served at the close of the evening by Mrs. Charles Nichols and the hospitality division chairmen, with Mrs. Donald Hamey and Mrs. Clyde West presiding at the tea table.

The next monthly meeting of the Women's Council will be held at the church on Wednesday evening, Oct. 13, at which time the film "My Name is Han" will be shown.

Rains, Clear Weather Help Morgan Farmers

Many farmers of this area were busy Thursday discing fields which will be seeded to wheat this fall. A few others, who had delayed fall plowing because of the dry, hard condition of the soil, were humming up and down the furrows.

The rains which covered the major portion of the Cornbelt earlier this week were welcomed by the farmers of west central Illinois.

Late corn, and particularly late soybeans, are expected to till much better. The bulk of these two crops were rather too far advanced to benefit very much by the recent moisture as much as it does a nitrogen deficiency in the land itself.

Preliminary estimates put the 1949 wheat acreage at about that of this year, although observers in some sections say the acreage "will be upped a little." The recent rains and the autumn temperatures combined to send some farmers on a search

Kiwanis Speaker Calls New Hospital Proposal Opportunity For Area

"The action of the federal and state governments in approving the application of Passavant hospital for funds in the amount of \$1,400,000 presents an opportunity and a challenge to this community to obtain one of the most modern hospitals in the state," Attorney Walter R. Bellatti told the members of the Jacksonville Kiwanis club Thursday.

"Present facilities are so inadequate and the need is so great that the board feels sure the public will accept the offer and meet the challenge," he added.

Attorney Bellatti was introduced to the club by Claude Gustine at a meeting devoted to a discussion of the new hospital program. Members of the Board of Trustees of Passavant were present as guests of Kiwanis.

To illustrate the acute need for additional hospital facilities, Mr. Bellatti cited statistical records which showed that the Passavant case load had increased from 2,250 patients in 1932 to 4,840 in 1944 and to 6,338 in 1947. In the maternity ward alone the increase has been marked. In 1932, 119 babies were born at Passavant. 283 births were recorded there in 1944 and during the past year 386 babies were delivered at the hospital.

Top Priority Rating

The Jacksonville area, which includes all of Scott county and portions of Greene county, has been given an "A" priority rating under the state hospital survey. Passavant's attorney explained. Grants in aid of hospital construction are allocated throughout the state on the basis of need.

Passavant now has a rated capacity of 76 beds and the plan for the new hospital calls for a 140 bed capacity, the speaker said. The size of the proposed building was based upon state recommendations for the area. Government experts also recommended that a completely new hospital be built upon a new site. Mr. Bellatti stated.

Hospital Owns Proposed Site

The decision of the Board of Trustees to locate the new structure on the Rowe farm just northwest of the city was reached, he explained, because the hospital already owned the land and because the site was of adequate size, desirable and approved by authorities. The present site may be sold legally by the trustees as long as the proceeds of the sale are devoted to hospital purposes, Atty. Bellatti said.

"There are no strings attached to the government grants as to the control of the new hospital except that it must be always operated as a not-for-profit institution available to the entire community and except that one-third of the construction costs must be raised locally," Mr. Bellatti stated.

The total proposed construction cost, upon which the grants are based, is \$2,100,000, including equipment. Passavant already has approximately \$400,000 available to meet its share of the cost, but needs to raise an additional \$300,000.

Reviews Past Endeavors

The speaker traced the long efforts of the Board to achieve better hospital facilities for Jacksonville and explained how rising construction costs had prevented carrying into effect the 1945 campaign plan to add a new wing to the present plant. He also told of the passage of the state and federal laws which made hospital grants possible and how the local Board had been quick to take advantage of the opportunities afforded by this new legislation.

Also present at the Kiwanis meeting was J. L. Gow, Conrad Miller of Lincoln, Ill., who presented a banner of Kiwanis International to Wilbur Rogers, local club president, in recognition of the activities of the Jacksonville group in organizing other Kiwanis clubs.

W. Lloyd Graunke, new supervisor at I.S.D., was accepted into Kiwanis membership. Graunke had been a Kiwanian at his former home, Fulton, Mo.

Most Telephone Bills Here To Be Slightly Lower

Contrary to the general price trend, some 80% of Jacksonville telephone subscribers will receive a reduction on their September telephone bills, company officials have announced. This reduction will be from 15c to 25c per month per residence telephone, and is the result of a recent state-wide revision of Illinois Telephone Company rates.

The new rates on residence telephone service vary from \$2.60 per month for a 4-party telephone, to \$3.50 on individual line telephone service.

W. O. Randall, district manager in Jacksonville, announced that during September, telephone bills will be mailed throughout the month rather than on the first of the month. This will mean that some Jacksonville bills will be mailed on the 6th, some on the 16th and some on the 26th. The September bill will adjust both for the change in rate and for the length of billing period.

It was emphasized by Mr. Randall that the decrease in residence telephone rates was not because of decreased costs, but rather was an adjustment of company-wide rates. Some miscellaneous items of telephone service, as well as private branch exchange service, were increased. The recent adjustment brought up to date all rates, including exchanges of the company which had not had a rate change for 20 years.
